In addition to your photo ID, you will need to show another piece of documentation to establish your address. This can be ONE of the following:

- A recent piece of mail with your name and address
- A rental agreement showing name and mailing address
- A vehicle registration or insurance document with your name and current mailing address
- Any other recent documentation showing your name and mailing address. (This could be digital documentation, as well.)

Applicants 17 years and under must be accompanied by a parent or guardian with a valid library card in order to obtain their own card. These cards can be issued at the same time. A replacement library card is \$2.
